*Counsel for Microsoft Corporation*

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE EASTERN DISTRICT OF VIRGINIA  
RICHMOND DIVISION**

In re:

**CIRCUIT CITY STORES, INC., et al.,**

Debtors.

Chapter 11

**Case No. 08-35653 (KRH)**

(Jointly administered)

**DECLARATION OF MARC BARRECA IN SUPPORT OF RESPONSE OF  
MICROSOFT CORPORATION TO DEBTORS' FORTY-FIRST OMNIBUS  
OBJECTION TO CLAIMS (DISALLOWANCE OF CERTAIN NO LIABILITY  
CLAIMS THAT WERE (I) PAID PREPETITION OR  
(II) SATISFIED POSTPETITION)**

I, Marc Barreca, hereby declare as follows:

1. I am a partner at K&L Gates LLP, counsel for Microsoft Corporation ("Microsoft") in regard to the matters described herein. This Declaration is submitted in support of the Response of Microsoft (the "Response") to Debtors' Forty-first Omnibus Objection to Claims (Disallowance of Certain No Liability Claims That Were (I) Paid Prepetition or (II) Satisfied Postpetition) (the "Objection"). I have personal knowledge of the facts set forth herein and, if called as a witness, I could and would competently testify to these facts.

2. Microsoft supplied various products to the Debtor, including Xbox consoles and other goods, both pre- and post-petition, pursuant to a Direct Retailer Agreement. The goods were supplied pre-petition on a credit basis and post-petition on a cash-in-advance basis. Besides receiving cash payments for goods and services, Microsoft was to provide credit to the Debtor for

agreed advertising programs featuring Microsoft products, price protection rebates when products held by the Debtor dropped in price, return credits or sell through credits and some miscellaneous other adjustment items.

3. Microsoft maintains the following filed claims (collectively, the "Claims") against the Debtor:

- a. Section 503(b)(9) claim in the amount of \$844,900.00, on file with the Debtor as Claim No. 965; and
- b. Prepetition claim (Microsoft Corporation) in the amount of \$8,153,021.35, on file with the Debtor as Claim No. 9007.

True and correct copies of the Claims are attached hereto as Exhibit A.<sup>1</sup> Microsoft also timely served a reclamation demand by letter, dated November 26, 2008.

4. On February 25, 2009, I sent a letter to the Debtor, on behalf of Microsoft, proposing to net all amounts owed between the parties, including the Claims. The Debtor and Microsoft exchanged communications regarding the Claims, but the Debtor has not formally responded to Microsoft's recoupment proposal. I sent a follow-up letter to the February 25, 2009 letter on September 25, 2009, but have received no response.

5. On September 15, 2009, the Debtor filed the Objection, objecting to *inter alia*, Claim No. 965, Microsoft's 503(b)(9) claim ("503(b)(9) Claim"), on the basis that the claim was paid prior to the Petition Date.

6. Based on the ambiguity and lack of detail supporting the Debtor's Objection, Microsoft cannot determine whether or not the Debtor's Objection is valid. The Debtor never paid Microsoft for the goods covered by Microsoft's 503(b)(9) Claim. Absent recoupment of postpetition credits owing by Microsoft to the Debtor against Microsoft's claim for goods supplied within the 20

<sup>1</sup> Some supporting documentation, previously provided to the Debtor with the filed Claims, has been omitted here as it is rather lengthy. Additional copies can be provided upon request.

days prior to bankruptcy, Microsoft has not been "paid" for goods received by the Debtor. To date, the Debtor has not provided Microsoft with its position regarding recoupment. Microsoft cannot substantively respond to the Debtor's Objection based merely on the vague assertion that Microsoft's claim was paid pre-petition.

7. I have the authority to facilitate a resolution of the Debtor's Objection on behalf of Microsoft.

I declare under the penalty of perjury under the laws of the United States that the foregoing is true and correct to the best of my knowledge.

EXECUTED this 6th day of October, 2009, at Seattle, Washington.

## Exhibit A to Microsoft's proof of claim.

1. Microsoft Corporation ("Microsoft") has previously submitted to the Claims Agent a contingent priority claim under 11 U.S.C. §503(b)(9) for \$844,900.00. Microsoft delivered goods to Circuit City during the 20-day period. Although the goods were agreed between the parties to be on consignment and such consignment was perfected by an appropriate UCC filing, payment for the goods remains outstanding. To the extent that (1) the debtor or any other party in interest asserts that any such consigned goods are in fact property of the Debtors as goods sold on credit and are not owned by Microsoft and a court of competent jurisdiction so determines or (2) that such goods are sold by Circuit City and proceeds are not paid to Microsoft, Microsoft then asserts a 503(b)(9) claim for the full amount. This amount is the value of any goods received by Circuit City Stores, Inc. within 20 days before the date of the commencement of this case for goods sold to the debtor in the ordinary course of such debtor's business. Such goods were provided on credit pursuant to the Direct Retailer Agreement with an effective date of September 1, 2004.
2. Microsoft has also timely submitted a reclamation demand including a contingent reclamation demand totaling \$6,756,361.32 for consigned goods. Microsoft identifies the type of goods as PC related products including software, Xbox game systems and Zune products (digital audio players). Individual invoices have been previously provided to Circuit City. Copies will be provided upon request. The Direct Retailer Agreement and various amendments are subject to confidentiality provisions. A copy of the Direct Retailer Agreement will be supplied upon request, subject to appropriate confidentiality agreement or Court order.
3. Microsoft also claims \$23,021.35 due based upon the online shopping search engine services that include store and product links ("Jellyfish Services") under the Jellyfish Merchant Program Agreement, last modified May 29, 2007.
4. Microsoft's total pre-petition claim of \$8,153,021.35 is net of all cash payments for products including consigned goods and is based upon the amounts due for the above-referenced goods (including 503(b)(9) and reclamation goods) and for advances under the Zune related amendment to the Direct Retailer Agreement and the Jellyfish Merchant Program Agreement. The claim is subject to recoupment and offset against amounts owed by Microsoft pursuant to the Direct Retailer Agreement and the Jellyfish Merchant Program Agreement netting amounts claimed by Circuit City under the Direct Retailer Agreement of \$9,786,850.00 for advertising and \$1,357,892.96 for returns, defective product allowance and merchandising credits leaving a net balance owed to Circuit City of \$2,991,721.61.

Exhibit A to Microsoft's proof of claim.

1. Microsoft Corporation ("Microsoft") asserts a contingent priority claim under 11 U.S.C. §503(b)(9) for \$844,900.00. Microsoft delivered goods to Circuit City during the 20-day period. Although the goods were agreed between the parties to be on consignment and such consignment was perfected by an appropriate UCC filing, payment for the goods remains outstanding. These goods total \$844,900.00 and are summarized in Exhibits B and C. To the extent that (1) the debtor or any other party in interest asserts that any such consigned goods are in fact property of the Debtors as goods sold on credit and are not owned by Microsoft and a court of competent jurisdiction so determines or (2) that such goods are sold by Circuit City and proceeds are not paid to Microsoft, Microsoft then asserts a 503(b)(9) claim for the full amount. This amount is the value of any goods received by Circuit City Stores, Inc. within 20 days before the date of the commencement of this case for goods sold to the debtor in the ordinary course of such debtor's business. Such goods were provided on credit pursuant to the Direct Retailer Agreement with an effective date of September 1, 2004.

2. Microsoft identifies the type of goods as PC related products including software, Xbox game systems and Zune products (digital audio players). Individual invoices have been previously provided to Circuit City (See Exhibit C for shipping details). Copies will be provided upon request.

Re: NOTICE OF RECLAMATION

Dear Sir/Madam:

We represent Microsoft Corporation ("Microsoft") regarding the Circuit City Stores, Inc. and affiliates ("Circuit City" or "Debtors") bankruptcy cases. Please take notice that Microsoft demands reclamation of goods, pursuant to relevant law, including but not limited to UCC § 2-702 and 11 U.S.C. § 546(c) and pursuant to order of the Bankruptcy Court on November 13, 2008 (Docket #133). Attached to this notice is a summary of the outstanding reclamation amounts due (Exhibit A) for products delivered to the Debtors by Microsoft on or after the 45-day period prior to November 10, 2008, the date of the Debtors' voluntary petition for relief. Individual invoices have been previously provided to Circuit City. Copies will be provided upon request. The invoiced amounts total \$6,756,361.32. At this time, Microsoft intends to also file a Section 503(b)(9) claim for the unpaid balance on goods entitled to § 503(b)(9) priority.

Microsoft has also consigned goods to Circuit City and delivered such goods to Circuit City during the 45-day reclamation period. These goods total \$1,579,148.72 and are summarized in Exhibit B. To the extent that (1) the debtor or any other party in interest asserts that any such consigned goods are in fact property of the Debtors as goods sold on credit and are not owned by Microsoft and (2) a court of competent jurisdiction so determines, Microsoft
